EXCLUSIVE!

Meet *The Bachelor's* new girls!

Three of the ladies playing the love lottery!

IT'S A queer show, and a strange inversion of natural selection, but there's something compelling about Channel 5 dating show *The Bachelor*. Season two swaps navel-gazing grooming fan Gavin Henson for posh

twerp Spencer Matthews from *Made In Chelsea*. But more importantly returns to the plate with 24 new girls vying for our man's attention. We met three of them, in various stages of undress. And all of a sudden we're excited for series two!

SARAH

WANTED MAN!

In the show, the 24 girls vie for Spencer's affections while sharing a villa in the south of Europe!

JENNIFER

DANIELLE

Turn the page for
more from the girls!

Hi ladies! New bachelor Spencer Matthews is minted – does that add extra motivation for you?

Sarah: I like men with swagger, but I don't care about the cash.

Danielle: It'd help, but I don't just date rich blokes.

Jennifer: No, not at all.

So are you interested in him because he's a celebrity?

Sarah: Erm, he's not really, is he? I'll make him feel just like a normal person.

Danielle: I didn't know he was. I was hoping for Kirk Norcross!

Jennifer: I don't want to go out with a bloke just because he has money or a reputation.

He's enormously posh – are you fans of posh?

Sarah: I do like a bit of posh. My ideal man is Prince Harry!

Danielle: No, but I like a party boy – a man who can drink.

Jennifer: No, I just want someone decent who's funny. I don't care if he's posh or poor.

Spencer is a serial cheat. Does that not put you off?

Danielle: I'm not an angel myself – who's perfect?

Sarah: I think you have to give people a chance to change. Only one chance, mind.

Jennifer: I want a decent man. My heart did sink a bit when I heard it was Spencer.

What would you do to get his attention?

Danielle: I'm bringing him a shot of vodka to down!

Jennifer: Lots of eye contact. Eye contact is really sexy.

Sarah: I'll let everyone make a fool of themselves then wait until he's on his own.

What's the worst attempt someone's made at chatting you up?

Jennifer: "Can I buy you a drink?" Just make me laugh!

Danielle: A guy once shouted, "Sit on this!" at me... on a shop escalator!

Sarah: When guys come up to you and just say, "Let's go home." No chance!

How can a guy impress you?

Sarah: I've never been spoiled before. Guys don't seem to make any effort any more – I'd like it if they planned a date, even flowers is a start.

Jennifer: Meeting me for a drink is not a date. I want a bit of effort – a date go-karting or at the zoo is fun!

Danielle: Take me to a theme park or get me drunk!

What's your ideal man like?

Danielle: Spencer is a bit plastic. I like a Professor Green – tattoos, a bit laddish.

Sarah: A guy who's not too try-hard. A guy who's toned but not too muscley – I hate a guy who looks like he's inflated!

Jennifer: I hate using cheesy words like banter, but I need a man who can keep me entertained. A Steve Jones-type – tall with a sharp wit.

What might you decide to wear for a sexy date?

Sarah: I like tight things that show my figure but still keep me covered. I think a flash of flesh gets attention, but you have to keep a man guessing.

Jennifer: I don't do dates. Dates just make me feel awkward. I'd wear hot pants and a T-shirt, maybe without a bra!

Danielle: I don't do classically sexy – I just misbehave!

What's the wildest thing you've done on a night out?

Danielle: I like a bit of a flash. Also, I once went to a strip club on my own because I didn't want to go home.

Jennifer: I once came third in a pole-dancing contest – I can't even pole dance!

Thanks, girls! Finally, why should *The Bachelor* pick you?

Sarah: I'm honest and not fake. My boobs are actually my own!

Jennifer: I'm full of surprises. I like fine art portraiture – I love painting a nude.

Danielle: I worry I'm too wild for him – he won't be able to walk all over me!

Nuts says: Pants to Platini!

We take to the streets to protest Uefa's bonkers fines!

➔ CALL US old-fashioned here at Nuts, but we reckon there are some things in football that require more urgent attention than a player sporting a pair of lucky grundies. Uefa president Michel Platini and his cronies obviously think differently, which is why they slapped an £80k fine and a one-match ban on Denmark's Nicklas Bendtner for giving the Euro 2012 audience a peek at his Paddy Power undercrackers!

What might players be penalised for next? Wearing their socks on the wrong feet? The madness has to stop! Which is why Nuts is calling on the good people of Great Britain to say, "Pants to Platini!"

We hit London's tourist hotspots to gather signatures on our giant Nuts pants, before Nuts lovelies Kelly Hall and Emma Glover gave us a hand shipping them off to Uefa towers. Pants in the post, Platini!

Prince Harry's delivery had arrived

NAUGHTY NICK!

Dane Bendtner copped the fine and ban for showing his pants after he scored against Portugal.

£80K:
SPONSORED PANTS!

Nicklas Bendtner fined £80,000 and given one-match ban for showing his Paddy Power underpants in Denmark's Euro 2012 match against Portugal.

£25K:
ONE MINUTE'S TARDINESS!

Man City fined £24,740 for returning to the field less than a minute late after half-time during last season's Europa League last-16 first-leg match against Sporting Lisbon.

£4K:
FANS FALL OVER!

The English FA fined £4,035 for the attempted pitch invasion by England fans during the Euro 2012 match against Sweden. They fell over some hoardings.

£40K:
FIREWORKS!

FC Zenit St Petersburg fined £40,000 for setting off fireworks, displaying "illicit" banners and invading the pitch during the Champions League group stages.

£17K:
RACISM!

Porto fined a piffling £16,700 after their fans subject Man City's Mario Balotelli to racist abuse. Kind of puts Nicklas' pants into perspective.

£1.6K:
BIRTHDAY MESSAGE!

Lionel Messi fined £1,600 for wishing his mother a happy birthday with a message on his shirt during a La Liga match.

Duck walk!

Just 5,000 birds, going for a stroll!

LOOKING FOR all the world like an angry duck army on the march to tear up their local Chinese takeaway, this weird sight's pretty standard in Taizhou in China. As the farmer regularly marshalls his 5,000-odd flock from his farm to a pond almost 1km away, with just a big stick and some blue language. He must be quackers!

"What do we want?"
"Less plum sauce!"
"When do we want it?"
"Now!"

HELLO DUCKY!

Duck facts

- The long-tailed duck has been found caught up in fishing nets in Canada at depths just shy of 80m.
- While migrating, mallards can travel 800 miles in eight hours.
- The widely held theory that a duck's quack does not echo was disproven in 2003 by a Salford University acoustics expert.
- The most common domestic duck in the US is the Pekin duck – and they are all descendants of four breeding ducks imported to Long Island in the 1870s.
- North American wood ducklings can leap from heights of around 90m from their nests and suffer no injuries upon landing.

"It comes in colours other than brown, right?"

All-new Aston Martin!

The Vanquish returns as Aston says goodbye to the DBS

- It disappeared from Aston's shelves in 2007 after a decent six-year production run and has been mourned ever since. But the Vanquish model is about to lash back.
- Aston have a similar-looking range running through the V8 Vantage, DB9, Virage, Rapide and DBS. All you need to know is that although Astons are like Russian dolls, they're all very pretty Russian dolls. It's the British version of the Porsche 911 in that you can't totally redesign a legend, you simply nip and tuck it every few years.
- The current Aston range-topper is the (£186k) DBS. This ex-007 Daniel Craig

chariot will be replaced shortly by the car you are looking at now – the AM 310 Vanquish. It plucks design gems – such as the boomerang rear lights and aggressive side strakes from the now-sold-out One-77 hypercar. No bad thing considering that car cost £1.2million and only 77 were built.

- The Vanquish is a wind tunnel's best mate, sporting more slippery body shapes than any previous V12 GT. The most noticeable is the integrated spoiler within the boot lid. Aston calls this their "Aero Duct" and it looks gorgeous next to the huge rear diffuser panel and pair of heavy-breathing exhaust tips.

- Just like the rear diffuser, the Vanquish has a distinctive deep carbon-fibre chin. Its side skirts are also displayed in naked carbon-weave lushness. The hallmark Aston grille is there, but shallower this time around.
- Bar the One-77, this will be the most powerful production Aston ever. Under the nostrilled bonnet is a refined version of the familiar 6.0-litre V12, but now with 565bhp, bringing 62mph up in 4.1 seconds and hitting a top speed of 183mph.
- Like all current Astons, the futuristic Vanquish is mostly made from aluminium underneath, but every panel on the Vanquish is carbon fibre.

WORDS: JONNY SMITH PHOTOS: LEO SPPOSITO

The pizza delivery man upgraded after his lottery win

Aston innards are never disappointing, and happily, the Vanquish continues the quest for ultimate luxury.

- Alcantara above your head, wave-stitched and perforated full-grain leather buckets under your bum, and a wide, gloss-black centre console at your finger tips, Aston's infotainment is off the Richter scale too, with Wi-Fi and a 15-speaker 1,000W Bang & Olufsen audio system as standard.
- **Astons never rewrite the rulebook because they don't need to. Cars like the Vanquish simply keep refining a Great British bloodline. It'll be on sale later this year, starting at £185,995. You'll be behind Rooney in the queue.**

Bill Bailey's new gags

All-new jests from the hairy jokester!

On Wetherspoon's!

"Wetherspoon's had a turnover of a billion pounds last year. Wetherspoon's was founded by a guy called Tim Martin in 1979. He named it after his old geography teacher JD Wetherspoon who told him he would never amount to anything. It's the ultimate ner ner ner!"

On Chantelle Houghton!

"She said, 'My boyfriend was laughing at me because I thought the sun and the moon were the same thing. Turns out they're not.' I thought you had to prick sausages before you cooked them. Turns out you don't. That is a legitimate use of the phrase of 'turns out'. It's not suitable for astrological fixtures in the sky which are visible for six months of the year at the same time."

On Twilight!

"What sort of intellectual capacity have we reached where people queue to see if they can divulge that age-old teenage girl dilemma, 'Ooh, shall I shag a bat or a wolf'?"

"What sort of car does a vampire drive? Of course, it's a Volvo. I would have thought vampires would have gone for something more racy. But I suppose they are immortal - they're going to rack up the miles."

On the economy!

"The Greek economy is in such a crisis they're accepting Nectar points as currency."

On TV shows!

"I keep sending suggestions for new shows to the BBC. One was *Arab Springwatch*. Another is *Rhetorical Question Time*. 'Hello, welcome to *Rhetorical Question Time*. Tonight my guests tonight are talking about... or are they?'"

On social media!

"In China there's no Facebook, no Twitter, no YouTube. Somehow, Chinese teenagers are getting through life without watching cats fall onto pianos. Maybe they're setting up actual, live scenarios where cats are being thrown onto pianos."

"NCP car parks are on Twitter. People are following car parks! I had to find out what was going on. It's not rocket science. 'Not very many cars in today.' 'Quite a few cars in today.'"

On spoilers!

"Why do people get so upset about spoilers of films and TV shows? Do these people look at a sandwich and go, 'Ooh, don't tell me what's in it?'"

On the internet!

"You try to work. Then you get distracted. Try to work, try to work, oh, distracted by the internet, and before I know it I'm trying to find out the scampering speed of a squirrel."

On the government!

"Nobody wanted the coalition. It's a half-baked apology for a government. It's like being ruled by a cucumber and a sea anemone. I must have been distracted when I was voting. 'Voting, voting, oh, look, a squirrel!'"

"I like *The Killing*. But it turns out David Cameron likes *The Killing*, too. If I go onto Amazon and click on *The Killing*, it says, 'Oh, you like *The Killing*, you might also like cutting benefits from the disabled, too.'"

"Nick Clegg has become so stretched and translucent they use him to keep the sandwiches fresh in cabinet."

On The Da Vinci Code!

"Really, don't bother seeing it. It's basically about a woman who finds out she's the last living blood relative of Christ. It's basically the *Who Do You Think You Are?* Christmas special."

On Mamma Mia!

"Have you seen it? It's like being struck repeatedly with a piece of Ikea shelving. It hurts, but you have to admire the workmanship."

On satnav!

"I test drove the new Toyota Prius. It's the voice-activated satnav one. The bloke showing me went, 'I'm hungry' and the satnav found some restaurants. He went, 'Want a go?' so I said, 'I'm lonely' and it plotted a course to an assisted suicide clinic in Switzerland!"

Whale watching!

Free-diver eyeballs two passing humpbacks!

THIS IS what a lunch break looks like if

you're a diving instructor in the Dominican Republic. This sadly unnamed chap took advantage of his class chowing down on BLTs to do a quick solo dive, where he came mask-to-blowhole with a 16m-long North Atlantic humpback whale and her calf.

"The mother whale was full frame in my mask and the baby was coming at me, so that's as close as I got," explained our man. By "baby", he means a six-metre, two-tonne calf – essentially a sea-based transit van, only without the sudden lane changes and angry hand gestures.

A person is swimming underwater in clear blue water. The person is wearing a light blue tank top and dark shorts. They are positioned in the center-left of the frame, facing away from the camera. The water is a deep blue, and the lighting is soft, creating a serene underwater atmosphere.

Humpback facts!

- Humpback whales migrate around 25,000 kilometres a year. They feed only in the summer, then move to tropical waters in the winter to give birth.
- Females grow larger than males. The largest ever recorded was 19m long, with pectoral fins measuring 6m each.
- Only male humpback whales sing, which they can do for 24 hours continuously. All North Atlantic humpback whales sing the same song, while the humpbacks of the North Pacific whales all sing a different one.
- Humpback whales can live up to 48 years.

A quick word with Nicolas Cage

The bonkers actor on skulls, spoilers and Satan!

➔ **Hi Nicolas! In the first movie, *Ghost Rider* was CGI, this time it's you. Was it fun to actually play him this time?**

It was an opportunity to experiment with movement and my state of mind. I really believed I was this character. I'd paint my face with black and white make-up so it'd look like a skull! And I'd put black contact lenses in my eyes and I'd sew some ancient Egyptian artefacts into my costume.

Nice! Then what?

Then I'd walk on the set, projecting this aura of horror and see in the eyes of my co-stars that the fear was there. And it was like oxygen to a fire. And that led me to believe maybe I really was this spirit of vengeance.

What about your body language – he moves in quite a herky-jerky way?

A lot of thought went into it and also imagination and improvisation. Sometimes I'd start talking in what I thought was a Wotanic Norse dialogue or some sort of Ecochian angel-speak or something. Who knows what it was? But it was a fun experiment.

Great! Do you think it's true that we all make pacts with the devil at some point in our lives?

Oh yeah, I've done it probably more than once! And I mean it metaphorically, which is the only way the devil exists, in my opinion. I don't see the devil as a horned, goateed guy with a fork in his hand who's there to continuously stab me and send my soul to hell. I don't see it that way at all.

Fair enough. Has spending time in Britain opened your eyes to any British influences?

I came here largely because of my interest in British history and mythology. Even though I know I'm far from home and that I'm a visitor in your beautiful country, being an American, I can't help but feel some connection to the land.

Towards the end of *Ghost Rider*, you start doing strange movements and hand gestures. What the hell was that about?

Well, look, the key is to be enigmatic. And I don't want to answer specifically what those gestures mean, but I will tell you that both the directors saw *Ghost Rider* like an ancient Egyptian pharaoh of sorts. But even that I shouldn't have said. I've totally labelled everything now. It's lost its mystery and it's not interesting any more.

What was it like filming the movie in Romania?

There were a lot stray dogs everywhere, running around. And I'd hear them at night. And then it was impossible not to think of [*Dracula* author] Bram Stoker and the children of the night, howling at the moon as the dogs were barking. And

so Romania was kind of a spooky cool place to make a movie. And the fact that Vlad Tepes' [*Dracula's* inspiration, aka Vlad the Impaler] castle was there just added to the charm. To ride my motorcycle out there and to be around all those kind of scary energies – but beautiful in some way – just made me, stimulated me for this kind of a movie.

Finally, there are strong religious elements in this film. What do you believe in?

I believe that everybody has the right to believe what they want to believe. As for myself, I'm a seeker, I'm very much a believer in science but I do think there are times when science and mysticism intersect. And that's the best way I can answer it.

● *Ghost Rider: Spirit of Vengeance in 3D is out on DVD now.*

Microsoft vs the iPad!

Software giant takes on Apple with impressive-looking new tablet!

➔ **EVERY TECH** company has looked on enviously as Apple has ruthlessly got the tablet market into a chokehold, with 67 million iPads sold in only two years. Microsoft aim to change that with this: the Surface. A Windows-toting tablet, it's slick, sexy and looks to be beautifully screwed together. Here are the important bits...

PRICE/AVAILABILITY

Price is key, but this is one thing Microsoft kept schtum about. Also, no sign of when to expect it. So watch this space.

A WINDOWS 8 THING!

This will use Microsoft's Windows 8 operating system. It's a button-based OS that's slick, easy to use and fast.

THERE ARE TWO!

One model will run an ARM processor with Windows RT, the other a more powerful Intel Core with Windows 8.

THE HARDWARE

The 10.6in touch screen is embedded into in a composite metal shell. There's a kick-stand and a proper USB port.

The Verdict

The buzz around Windows 8 is that it's actually a better tablet system than Apple's current iPad brain. If it works as well as it looks, Apple have a serious contender for their tablet crown.

"I was one-on-one with their keeper when he literally crunched me," recalls the banker from Barrow. "I flipped right over him! I looked down and what I thought was my shinpad turned out to be bone."

After a swift trip to the hospital and a spot of metalwork, Jamie's now all fixed up, but there's still one thing that bothers him: "The worst thing was, the ball hit the post!" he says. What a pro!

SEX ADVICE FROM A FIT LESBIAN!

Because she knows what she's doing and we don't!

**DANNI ORSI,

Mate fancies my sister!

One of my mates has confessed he fancies my sister. He's been upfront about it and asked if he can start dating her, but I'm not sure. Am I being selfish?

PIP Bradford

Does your mate have a criminal record? Has he slept around a lot? You'd have the right to interfere if this was the case. It's probably your emotional reaction to defend your sister from harm. Analyse the situation wisely otherwise both your sister and mate could vanish for a while.

I don't want to be alone!

I hate being single and have to be in a relationship even if I don't particularly like the girl I'm with. I don't do one-night stands. What's wrong with me?

OLLIE via email

LETTER OF THE WEEK!

She likes it rough!

My missus likes really aggressive sex. She loves biting me, slapping me and pulling my hair. I've told my mates and they think she's a bit mental. Is she, or is this normal?

BOBBY Liverpool

You've told your mates because you're proud of it. Of course they've reacted in this way – they're jealous and it's clear their own sex lives are not as adventurous. My question is, why did you tell them? If you wish to keep this sexually charged bond alive you must keep a level of secrecy between you. Don't let others influence you. You've answered your own question – it's normal.

You're insecure. What you must make clear when you start these relationships is how you feel and what you want from the girl. Use the word "dating" and the girl will immediately understand the difference. You enjoy spending

intimate time with one person at a time. No one can blame you for that, but the other partner must be warned it may not last as long as she thinks. Equally, you could throw yourself in the deep end and experience life as a singleton.

Her folks can't stand me!

My girlfriend's pretty posh and though I'm not from a privileged background, I'm not a thug. Still, her parents have made it clear they don't like me. How can I convince them I'm right for their daughter?

ALFIE via email

Look at the situation carefully. Do you have a job? Do you share similar interests with your girlfriend that you could help give her the confidence to develop? If you can demonstrate you're giving their daughter some positive energy, they'll warm to you.

- If you've got something to ask Danni, just email her at thelesbian@nutsmagazine.co.uk or write to her at the usual address on p64.

Again, the voice at the back of the courtroom yells out, “You b*stard!”

Angelos Epithemiou Vs the Nuts Question Bucket!

Sell:

The Greek comedian on the Euros, vajazzles, and his brand new TV show!

Copy:

THE RULES are simple. We fill our bucket full of ridiculous questions, then a celebrity picks them out at random and must answer whatever they get!

Tell us about your new show, please.

That's lucky I pulled this question out first. My new show is basically me and my mate Gupta. I do some topical stuff and then I interview a top star like Professor Green or Amy Childs or Gazza. Then we have some explosions and Gupta has a fight with someone. Then there's some more explosions and I get off with Gabby Logan. Then we have a band on and I make them do a challenge so they can sing their song. That's in 24 minutes. So you've got to get a bloody move on.

Who's your best friend?

Gupta. Gupta and I met seven years ago at Hounslow Squash Club. We had a game of squash. It was a fierce battle and I won it and we've been hanging out the back of Londis every since. What's good about Gupta is his parents are loaded so if I ever need anything I just tap him up for money. He's a good lad.

Are you down enough with the kids to know who all your guests are?

Big time. Professor Green, he's a tall fellow, isn't he? Covered in tattoos. I'm going to get him to do something very special like lift an animal over his head before he gets to sing his song. Amy Childs, she likes a vajazzle, doesn't she? On a bloke it's not called a vajazzle,

it's called a pejazzle, 'cos it's penis, you see. But I wouldn't have jewels stuck over my c*ck and balls for all the money in China.

Epithemiou doesn't sound like a traditional British name. Where are you from?

Greece. My dad's from Greece, my brothers are all from Greece and my mum's from Neasden.

Are you enjoying watching Euro 2012?

Yeah. I've been watching them on the telly. They've been mentioning the war quite a lot. They didn't when it was in Germany. It's been nice to have these history lessons, but in terms of the football, I couldn't give a monkey's.

Are you looking forward to the Olympics?

Yeah, I am. I love it when we come together and do ceremonies like the Jubilee with the concert and all the people on the boats on the Thames. I look forward to them giving it a bit of b*locks down at the Olympics. If I was coming up with the Olympics, that would be my tag line. "Give it some b*locks, boys."

What have you got in your pockets right now?

Oh, OK, that's a good question. [Pulls out huge pair of false teeth.] I've got my false teeth. There you go.

What were you like at school?

I was very, very academic, which is why I got kicked out at the age of ten. They said, "There's absolutely nothing we can teach you Angelos – off you go, make your way in the world." So I did.

Who's the most famous person you've stood next to at the urnal?

Oh, right, good one. I'm always hanging around the bogs waiting for famous people to turn up at Chinawhite. I'm going to say Willem Dafoe. He's huge down there. Trouserssnake.

What do you do to relax?

Watch the telly. *Homes Under The Hammer*, *Cowboy Trap*, *Cash In The Attic* – all the usual stuff.

● The Angelos Epithemiou Show starts in July on Channel 4.

TRAINING WITH DERECK CHISORA!

Ahead of his big fight with David Haye, Chisora shows *Nuts* his gruelling regime!

11.40AM - THE DAY BEGINS

Dereck arrives at the gym ahead of his workout

"The training camp is ten to 12 weeks and I peak at the fight. I always train as if it's for a world title, it don't matter who's in front of me. I'm always prepared."

NOON - SPARRING

The headguard goes on in preparation for work in the ring

"I started sparring three weeks ago, so it's all going well. We make the fighting as realistic as possible. We always do at least eight three-minute rounds."

1PM - TYRE BASHING

Dereck puts a tractor tyre to good use.

"This is something I do two or three times a week. Using a sledgehammer builds power, and then I'll use a Bulgarian Bag - it loosens up the shoulders."

2PM - KETTLE-BELL

The heavy weight works the arms, back and shoulders

"With a kettle bell, you're dealing with powerful, repetitive movements normally over three minutes, so it's just like using the energy in a round of boxing."

11.50AM - PRE-TRAINING

A quick sit down before the hard work begins

"I just chill out for a bit. I get some fluids on board and then read *Nuts*! I need to become friends with you guys. Who's this Holly Peers? She's my favourite!"

DERECK CHISORA

11.55AM - THE TUNES

Training isn't complete without some motivational music

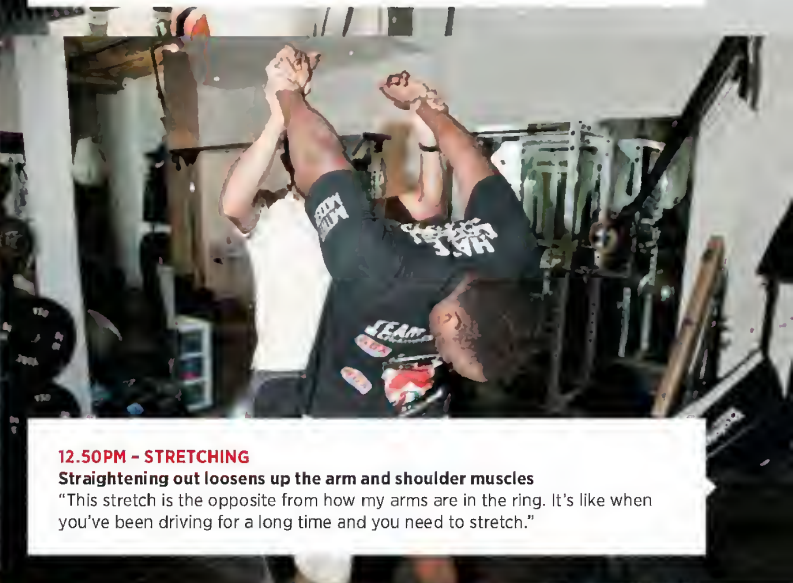

"Before I start training, I put my iPod on full blast. I listen to loads of different stuff, from the Notorious B.I.G. to the *Rocky* and *Shaft* soundtracks."

12.40PM - SHADOW BOXING

Following some tough sparring, Dereck continues to throw some punches

"As a boxer, I do everything, man. I shadow box, I skip, I do cardio, weights... all of it. I don't like doing weights, though, so I don't do that too hard."

12.50PM - STRETCHING

Straightening out loosens up the arm and shoulder muscles

"This stretch is the opposite from how my arms are in the ring. It's like when you've been driving for a long time and you need to stretch."

1.30PM - SUSPENSION TRAINING

A new bit of kit allows Dereck to mix things up in the gym

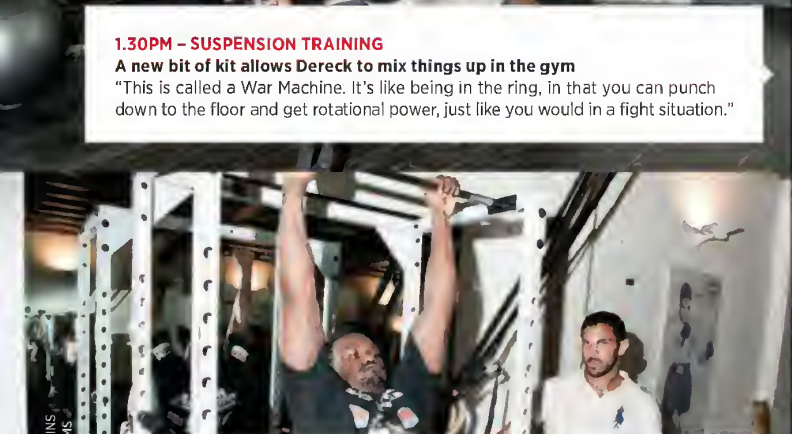

"This is called a War Machine. It's like being in the ring, in that you can punch down to the floor and get rotational power, just like you would in a fight situation."

1.45PM - BALL-TO-WALL

A wall and a ball add to the workout

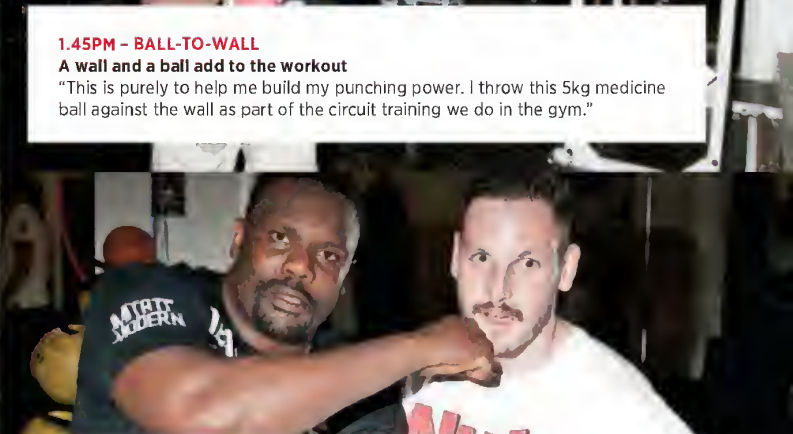

"This is purely to help me build my punching power. I throw this 5kg medicine ball against the wall as part of the circuit training we do in the gym."

2.15PM - PULL-UPS

Dereck says he enjoys doing pull-ups on the bars

"I aim to do 100 every time I do a set. The objective isn't about being as strong as possible, it's about maintaining bouts of power, that's what boxing is about."

3.30PM - AFTER TRAINING

Dereck takes time out from his regime to punch *Nuts Man* in the face!

"I've got a nutritionist, a strength and conditioning coach and a boxing trainer for tactics. Everyone knows what they're doing, so it works well."

LINGERIE SPECIAL

LUCY COLLETT
PRESENTS...

The lingerie special!

Hot women
in their undies.
Awesome!

**“If I’m feeling
cheeky, I wear
stockings and
suspenders
under my dress!”**

LINGERIE IS serious business for the fairer sex, not that we're complaining.

One quick glance at this collection introduced by the lovely Lucy Collett and you'll see why!

Hi Lucy! How's your summer going so far?

Hello! It's amazing. I've just got back from my first festival of the year, so I'm recovering from lots of partying.

Did you enjoy the shoot?

Oh god, yes! It's really exciting and it's nice to do a shoot that involves so much underwear.

What's your favourite bit of lingerie?

I've got this really cute polka-dot set. It's got the sexiest bra that really pushes my boobs together nicely and a really cute thong for downstairs.

Is there a lucky set of undies you wear on a night out?

Sometimes, if I feel cheeky, I'll wear stockings and suspenders under my dress. If you're lucky I might give you a flash!

Have you ever done anything really naughty for a bloke?

I was once supposed to be going out for dinner with this guy and when he picked me up I undid my coat to show a stockings and suspender set. We never made it to dinner.

What advice would you give to a chap buying his lady lingerie?

Don't buy anything too rude or that's going to make her look like she's in a porn film!

What should we be wearing in the bedroom?

I love it when a guy wears some nice, plain Calvin Klein boxers. That drives me wild.

Thanks, Lucy! Finally, do you ever go commando?

Absolutely! Sometimes, if I have to go out wearing a tight dress, I won't bother putting anything on underneath! ►

Lucy Collett

Lucy's managed to get around the age-old problem of finding matching lingerie by doing away with the top part entirely. Now that's what we call initiative, as well as very, very sexy.

Lacey Banghard

It's surely only appropriate that a woman with a first name of Lacey should be clad in some extremely pleasant lacy underwear. That's just common sense. As for the appropriateness of her surname, we can only speculate and dream.

Kelly Brook

Kelly here is very much a woman who was born to fill out the very sexiest of ladies' underwear. And gents, make no mistake, whatever she chooses to wear about her person is most definitely going to get filled to the very brim.

Danica Thrall

If you're looking at this picture and thinking, "My goodness! What an attractive fireplace upon which that stunning stocking-clad beauty with the endless legs is leaning!" then you are very observant. And also completely insane.

Jessica-Jane Clement

Sometimes, you have to give a garment its due simply for being able to contain the bosomy wonders that dwell inside it. It's for this reason that we wholeheartedly praise every bra that JJC has ever worn.

Rihanna

Rihanna, or RiRi as some people like to call her, has proved that she's a popstar who's more than happy to strip down to her scanties in the name of her art. And if RiRi is happy, then we are happy. We're nice like that.

Emma Glover

Emma isn't wearing much in the way of underwear here. In fact, she isn't wearing much in the way of anything at all. But what little she is wearing, you have to admit, is pretty darned tootin'. And extremely small.

Courtnie Quinlan

Courtnie can be seen here kindly demonstrating the elastic qualities of the straps of her brassiere. This has caused the bra itself to slip downwards somewhat, with quite a revealing result. Nobody tell her. ▶

Megan Fox

Has anyone seen *Transformers 3*? Yeah? Is it any good? Because the minute we heard that Megan here was not going to be in it, we decided that we'd go and watch paint drying instead. A Megan-free film just will not suffice.

Billie Faiers

Being the part-owner of a popular ladies' fashion boutique, you would expect Billie to be well kitted-out when it comes to undergarments. As you can see, your expectations of the *TOWIE* star would be wholly justified.

Arianny Celeste

Normally, gorgeous Arianny can be found adding a touch of glamour to big UFC events by standing around looking lovely. Quite frankly, we're more than a little pleased that we seem to have caught her on her night off.

Sabine

We don't know why Sabine is brandishing a whip here. If she's planning on using it to force us to compliment her underwear, we have to tell her that we're way ahead of her on that score. No whipping will be necessary, madam!

Holly Peers and Rosie Jones

The more eagle-eyed among you may have noticed that, while Rosie has come equipped with a sexy bra, Holly doesn't have one. We're hoping Miss Jones will, therefore, do the decent thing and discard hers, purely in the interests of evening things up. We don't want Holly feeling bad now, do we? ►

Kelly Hall

Surely one of the greatest inventions of the modern era is pants that tie and untie at the side. Why? Because ladies who look like Kelly here can untie them teasingly, of course! Here's to you, tying-pants-inventor person!

Arabella Drummond

Tattoos? Check. Ridiculously hot body? Check. Some seriously sexy lingerie? Check. OK, Arabella, we're pleased to tell you that after some rigorous testing you're now officially, mind-meltingly fit. Congratulations!

Kate Upton

Women being women, they often like their underpants to match their bras. Well, happily for Kate, we can inform her that her garments a) match perfectly in every detail, and b) are completely and utterly the sexiest things ever.

Rhian Sugden

Now what's going on here? Is Rhian putting her fancy undercrackers on or taking them off? We have no idea, but we're definitely enjoying it, whichever way her pants happen to be travelling. Don't mind us, Rhian.

Lucy Pinder

Once upon a time, Lucy's main issue with lingerie would be worrying about whether she could find any to fit. Nowadays, she's a top glamour lovely, which means a) she gets it free and b) we get to see her in it. Rah!

Adriana Lima

Black stockings and suspenders. Why, the words alone are enough to put a little tremble into a young man's heart. Of course, it also helps when someone who looks like Adriana is wearing them.

Danielle Sharp

We've often thought Danielle passes a striking resemblance to that other bastion of sexiness, Liz Hurley. Having said that, she's pretty darn gorgeous herself and more than happy to show off her undies. We like! **X**

From the bloke behind *Role Models* comes another cool comedy, once again

starring Paul Rudd. He and Jennifer Aniston play a stressed

out, city-dwelling couple who leave their old life behind to try out an alternative lifestyle at a hippy commune. There they discover nudists, hallucinogenics and sex with other people. A nice, easy, gentle comedy - it'll make you chuckle. ★★★★★

First-person shooter that's a change of pace from your *Call Of Duty* mainlining Red Bull into your eyeballs. This takes place in

CONFESSION OF THE WEEK!

'He gave me two orgasms'

AS A joke at the pub I work in we have a three-strike rule for any rude behaviour. Recently, one of the boys hit three strikes and I threatened to spank him for being naughty. He gave me a sly look and said he was going down to the cellar. I went down soon after and put one hand over his eyes and grabbed his crotch. He had my skirt down in seconds and expertly used his fingers to drive me to a fast orgasm. He then pulled on a condom and soon I orgasmed again! He now knows exactly what he gets when he's a naughty boy.

Charlotte via email

'He teased my nipples'

ONE DAY I slipped into a sexy little black pencil skirt and a white shirt with nothing on underneath and decided to surprise my boyfriend while we were at

work. As soon as he clocked me in my sexy outfit, he went bright red and I could see him fiddling with his trousers. I stood and flirted with him until his colleague said he was going on his lunch break. Within seconds, he'd pulled me into his office, lifted me onto the table, yanked my skirt up

and was inside me. He pulled open my blouse and teased my nipples until they were as hard as bullets. We came hard together just as there was a knock on the door announcing the arrival of his colleague back from lunch. It was definitely worth the risk!

Stephanie Dorset

'We caused a blackout!'

LAST WEEK my boyfriend and I were in a taxi on our way home from a party. We'd both had a bit to drink and things were getting fruity. We were kissing each other when he slid his fingers inside me, so I grabbed his throbbing penis. After the taxi pulled up, we ran towards the entrance of our building, but not being able to contain ourselves any longer, he pulled me into the electric cupboard on the ground floor. Things got even steamier and we ended up tearing each other's clothes off so I had only my stilettos on. My boyfriend turned me round, bent me over and entered me from behind. I let out a huge groan and with that I pulled down a switch in the cupboard and all the lights in the building went off! We heard doors unlocking and had to pick up all our stuff and run up the stairs into our flat where we continued having sex on the kitchen side until the lights in the building came on.

Leah Essex

'He left a saucy note'

MY BOYFRIEND and I love sex. We usually have it once a day and often more at the weekend. A few weeks ago he injured his groin playing football so we couldn't do anything and even getting an erection seemed to cause him pain. One day I came home from work gagging for some bedroom fun and there was a note stuck on our fridge that read, "Sorry it's taken me a while – come upstairs". I'd already taken half my clothes off as I raced up the stairs and I could feel my knickers were damp. I was greeted by the sight of him playing with his erection. We had sex for hours and I screamed when I came. It was one of our best sessions ever. Maybe we should have breaks from it more often!

10 RUDE QUESTIONS!

And a real girl to answer them!

Liberty

22 York

1 Where's the strangest place you've had sex?

"The strangest place I've ever had sex is behind a couch. People walked in so we just carried on quietly."

2 What's your trademark move in the bedroom?

"Jumping on top and nibbling the other person's neck. It never fails, especially when my boobs press against their chest."

3 What turns you on?

"I really love the thought of a big, sexy, muscular sportsman in his training kit after a hard match, especially rugby boys. Yum!"

4 What's your favourite position?

"Reverse cowgirl all the way! I love being in control of the situation."

5 Is it better to give or receive?

"Receive, for sure. I couldn't care less if he enjoys it if I am!"

6 What one thing would you really like to try but haven't yet?

"I'd love to have sex in a swimming pool on holiday

after a boozy night out. As long as I wasn't too drunk, of course."

7 Have you ever got it on with another girl?

"Women are beautiful but they just aren't for me."

8 What's your favourite role-playing costume?

"It would have to be a sexy policewoman. I'm the kind of girl who likes to get the handcuffs out and be in complete control."

9 Have you ever made a sex tape?

"Not to my knowledge. I'd never say never to the possibility, though."

10 What's the rudest thing you've done?

"I gave someone a blow job while we were watching the Royal Wedding on TV last year. Disrespectful or what? Ha-ha!"

"I've had sex behind a couch, people walked in but we just carried on!"

Nuts SPORT

EXCLUSIVE!

Nadal: 'Crisps are my weakness!'

Tennis legend Rafa Nadal on Wimbledon, fried snacks and why Ronaldo is better than Messi!

Hi Rafa! Are you looking forward to Wimbledon?

Everybody looks forward to Wimbledon! It has such history and is a very prestigious tournament.

How do Brit crowds compare to others around the world?

The Wimbledon crowd is always great. They're very supportive of their own players – the support Andy Murray gets is incredible!

Where do you hang out when you're in the UK?

Wimbledon is different from other Majors because most players rent private houses, whereas at the other Majors, we stay in hotels. So I have all the home comforts like my mother's cooking.

Is your mum a good cook?

She's a wonderful cook – I have learnt all I know

in the kitchen from her. She makes fantastic grilled seafood – everything just has so much flavour!

Do you have any surprising unhealthy eating habits?

I know there are some professional athletes who won't allow any bad foods to enter their body, but that's not me. I don't think I'm the best advert for that. My biggest weakness by far is crisps!

Spain is strong in so many sports – football, tennis, motor racing... Why is this?

Our football team has always had great players, it's just that recently we've turned those great players into winning tournaments. Then, of course, Fernando [Alonso] is one of the best drivers in F1. I think it's just our time at the moment.

You're a big Real Madrid fan. Would you give up winning a

Major if it meant them winning the Champions League?

Real Madrid is a big part of my life, and the life of my family, but no, I could never do that!

Who's better, Ronaldo or Messi?

They're the top two players in the world, and both will take their place in history. It depends who you like to watch more, but as a Real Madrid fan, I'll say Ronaldo, of course!

Many critics say that with you, Roger Federer and Novak Djokovic, this is the best tennis has ever been. Do you agree?

It's a very strong era for men's tennis at the moment, but it's always difficult when talking about other eras. You'll never know how we would have done then or how they'd do now.

Who's the toughest opponent you've ever faced?

It would be hard to single out one player. Roger has given me some very tough matches, and recently it's been Novak. The 2008 Wimbledon men's final against Roger was probably my toughest match ever.

How do you return a 150mph serve? Do you even see it? We'd jump out of the way!

It's a mixture. You can see the ball, but you're relying on your

instincts as well. You study your opponents and, of course, you're playing the same guys all the time, so you try to read what they're going to do. The top players have such a mixed game, though – that's why they're so tough to play against.

Do you think Andy Murray will ever win a Major?

He has the talent, for sure. Andy's a great player and I've been in tough games with him. He's still young, so he has lots of time.

Is it a bit sad that we're so desperate for a home-grown win at Wimbledon?

Not at all! The British are obviously very proud of Wimbledon and rightly so. It makes sense that the fans would like to see a British player win it after so long.

Finally, Rafa, you'll be back at Wimbledon again for the Olympics. How seriously are you taking them?

Very seriously! I've already won one gold medal and I'll be looking for another!

● Nadal's first-round match vs Thomaz Bellucci is scheduled for Tuesday 26 June, live on BBC TV.

RAFA'S A WINNER!

World number two Rafa has won 11 Major titles, including two victories at Wimbledon, in 2008 and 2010.

"I knew those magnetic fillings were a bad idea"

The many faces of Rafa Nadal!

GURNING RAFA!

"Fancy coming back to mine for some mixed doubles?"

CONSTIPATED RAFA!

"Er, ref, I need a toilet break ASAP, please!"

CONFUSED RAFA!

"Hey, Rafa, how do you spell Novak Djokovic?"

DRUNK RAFA!

"That eighth sangria was a bad idea! Where's the ball?"

"Whoa! Come any closer and I'll whack you!"

"No, Rooney, pull your shorts up, pleeeeee!"

OOH, GET HIM!

RUSSIA VS CZECH REPUBLIC

Fruity defensive tactics at their finest. Just look at ex-Spurs striker Pavlyuchenko's (centre) pout! He has the whiff of an indignant John Barrowman about him!

Euro 2012 camp walls special!

The fruitiest defensive line-ups in Poland and Ukraine!

AFTER ITALY'S

Andrea Pirlo scored the first free-kick at the Euros with his stunner against Croatia, it got us thinking... why have there been so few dead-ball beauties so far? Then we saw the walls on show in Poland and Ukraine and it became clear – free-kick specialists are being put off by the fruity goings on!

"Light on our feet? No, just good at jumping"

"Y... M... C... er, how does it go again?"

ITALY VS SPAIN

You can always rely on the Italians for theatrics. Meet drama queen Andrea Pirlo (left). As for Thiago Motta (centre), his shocked stare seems to be aimed straight at Xavi's wink!

IRELAND VS ITALY

Ooh! Who let her in? Jon Walters (right) has the distraught look of a chap who's just been told his tickets to the next Scissor Sisters gig have been lost in the post! Shocker!

BIG JESSIES!

CROATIA VS IRELAND

The Croats lose out to the Irish here. John O'Shea's minciness (far right) is marvellous while Robbie Keane (rear) – looks like he's checking out number 9's buttocks!

"Not the hair!
Not the hair!"

COUPLE OF THE TOURNAMENT

"OK, dear, I'll help
you cross the road"

PORTUGAL VS GERMANY

Ahh, Bruno Alves and Helder Postiga enjoy a little hug, while a certain Mr C Ronaldo encapsulates what is known in certain parts of the UK as "a big girl's blouse"! The flippin' great nelly!

Look at this lovely pair out for an afternoon stroll! And we thought Italy's Antonio Cassano hated a spot of mincing. He may be out of luck anyway, Emanuele Giaccherini looks like he's spotted someone hunkier!

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

"No money,
no picture!"

When fishing

Mercenary Drog chases the cash!

Ambition comes second to money in modern-day football!

SO DIDIER

Drogba has finally completed his move to Shanghai Shenhua in China. I must say I'm really disappointed. After such a fantastic end to the season with Chelsea, scoring the winning penalty in the Champions League final and mixing it with the best

defenders in the world, he'll be turning out with ex-Blues colleague Nicolas Anelka in the mighty Chinese Super League next season!

When you consider that the Drog had offers from clubs like Real Madrid, it seems like a crazy decision. He may be getting paid £200,000 a week but he

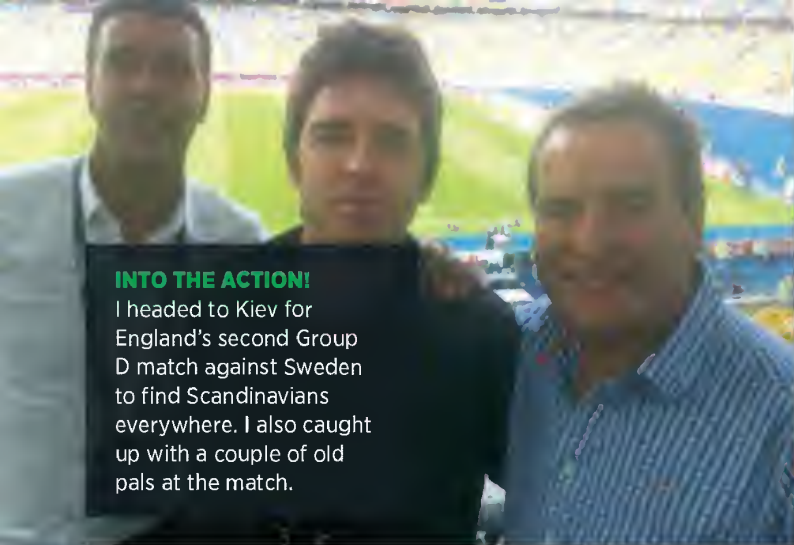

already has bundles of cash and nothing can replace the buzz of playing in massive matches. Unfortunately, we're seeing a number of wealthy "super clubs" popping up all over the world in places like China and it's the easy option for older players to stick their feet up and rake in the cash.

Welcome to the 21st century, Sepp!

I SEE that Fifa president and part-time comedian Sepp Blatter has come out and said that goal-line technology is now a "necessity" in modern football. All it took was for England to benefit from a dodgy decision to get old Blatter bleating!

It was a ridiculous decision to disallow the Ukrainian goal during the crucial final game of the group stages. I was sat in the stands in Donetsk and I could see the ball had crossed the line, so the fact that the extra official, five yards away, couldn't allow the goal, shows just how useless they are!

- Send jokes, comments, pics etc to kammy@ipcmedia.com. The best one each week wins a signed *Nuts* T-shirt!

INTO THE ACTION!

I headed to Kiev for England's second Group D match against Sweden to find Scandinavians everywhere. I also caught up with a couple of old pals at the match.

WAG-WATCHING!

While I was up with the prawn sandwich brigade, I spotted Joe Hart's missus in the crowd. I know Joe well and with Mr Man City Noel Gallagher in tow, we had to give her a wave!

Kammy's Euro 2012 Diary!

Chris Kamara's adventures in Poland and Ukraine!

MY AMAZING European adventure

continues as I head off to watch England's final two group matches, catch-up with Sky Sports' very own Jeff Stelling, do a spot of WAG-watching and get recognised by a group of crazy Ukrainians!

A NIGHT ON THE TILES!

After England's first win it was time to celebrate, so Jeff Stelling and I decided to sample a little of the local nightlife. As you can see, we got lucky. Don't fancy yours much, Jeff!

FATHER'S DAY!

I flew back to the UK for Father's Day and my boys had left me a nice surprise – my very own Kammy doll. The six-pack is very life-like, but you'd never find me in those pants!

Hilarious muscle man

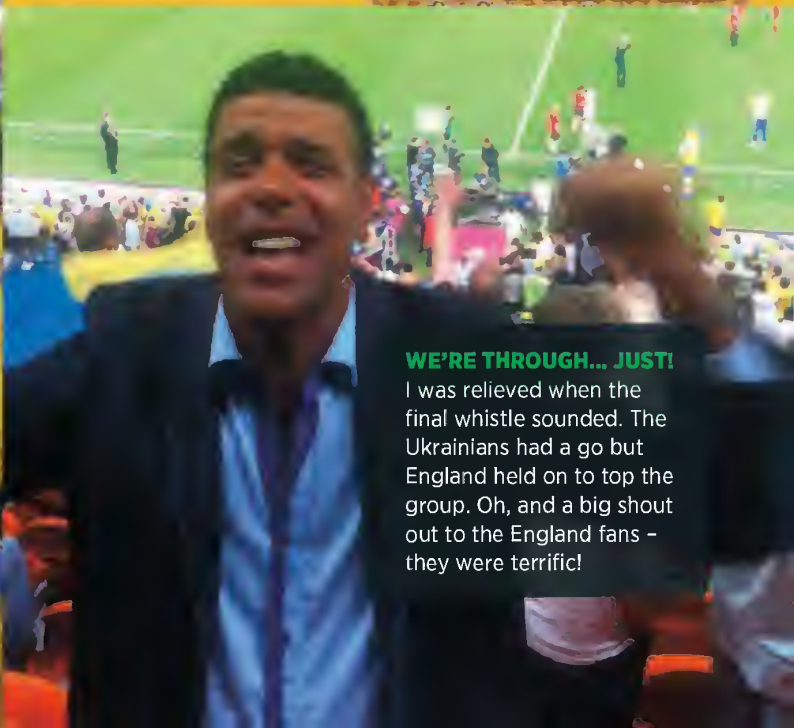

BACK ON THE PLANE!

After my brief stop back in Blighty I was off again for England's last group game, in Donetsk. I was spotted by a few Ukraine fans who recognised me and asked for a photo!

WE'RE THROUGH... JUST!

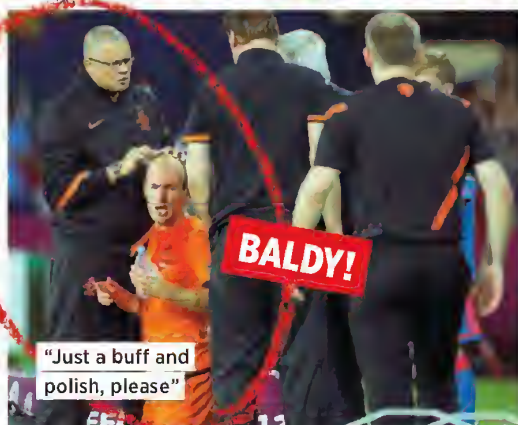

I was relieved when the final whistle sounded. The Ukrainians had a go but England held on to top the group. Oh, and a big shout out to the England fans – they were terrific!

RING OF TRUTH!

Football seen through the *Nuts* comedy glasses!

MAN-LOVE CORNER!

"Noel's just agreed to sing on my new single!"

KAMMY!

"Forget about that ball, worry about these ones!"

BUM FUN!

"Oh, Miroslav, they're playing our song!"

TOUCHING!

"We're booked for Germany's Euro 2012 victory party!"

"Let's have an old school ancient Greek group sesh!"

Nuts ABOUT SPORT!

Funny goings-on in the wonderful world of sport!

**CRAZY
CRASHES**

DENNY HAMLIN has a spot of engine trouble during the NASCAR Sprint Cup Series race at Michigan International Speedway. We bet none of the pit crew volunteered to do an oil change!

SPORT ALIKES!

GEORGE MCFLY

MARIO GOMEZ

Is it just us, or does Germany's **MARIO GOMEZ** bear a striking resemblance to **GEORGE MCFLY** from *Back To The Future*? It's his density to win the Euros, or should we say, his destiny.

MUD-WRESTLING is taken rather seriously in India, as you can tell from this chap's expression. We thought it was something that only went on in "gentlemen's" clubs.

"Quote me on that!"

This week's biggest match debaters!

"We got to the quarter-finals of the Champions League. It really couldn't have gone any better"
Semis would have been better, Harry Redknapp.

"If I'm honest, I don't give a sh*t about who wins it now – I'm going on holiday"

Zlatan Ibrahimovic is a sore loser.

"If they don't get the batsman out, he'll stay in"

Geoff Boycott explains how cricket works.

"Bendtner might as well stick his pants on his head, the way he plays"

Gareth Southgate isn't impressed with the not-so-great Dane.

"I'm not proud of my toes. They're not very pretty"

At least they're fast though, Usain Bolt.

"All strikers are happy to miss chances"
Roy Keane must know some useless strikers.

SPORTING STUNNERS!

This beauty tops the list of fit fans at the **EUROS**, but we're wondering what's Ukrainian for "Bugger off, Fritz?"

HEROES OF SPORT!

Meet **MATT STUTZMAN**, who'll be competing for the US at the Paralympics this summer. This guy's amazing – if we tried this, people would die!

OO-ER SOUNDS A BIT RUDE CORNER!

"It is not so much the length as the width that causes the problem"

Big boy tennis pundit Jim Courier measures up.

"I can imagine Graeme Souness being really frustrated behind Dale Winton"

Gabby Logan on a very odd couple.

"Ashley Young was just trying to slip it between the legs"

Clive Tyldesley spots some foul play.
